

## 2019 Continental Cup, January 10-13

### 1. Objective

Curling Canada is requesting expressions of interest for the hosting of the 2019 Continental Cup.

### 2. Background

Curling Canada is the national sport governing body responsible for the development, promotion and organization of curling in Canada. In cooperation with its Provincial and Territorial Member Associations across Canada, Curling Canada provides programs and services to curlers of all ages.

The primary area of administration and the most financially consuming of Curling Canada's responsibilities are championships. On an annual basis, Curling Canada sanctions and conducts 11 national curling championship events. Approximately 12,000 competitive curlers from all provinces and territories enter play at the curling club level with the hopes of becoming one of the Canadian Champions crowned annually. The Canadian Curling Championships are:

**Tim Hortons Brier - Canadian Men's Curling Championship**

**The Scotties Tournament of Hearts - Canadian Women's Curling Championship**

**The Mixed - Canadian Mixed Curling Championship**

**Everest Canadian Seniors - Canadian Senior Men's and Women's Curling Championships**

**Canadian Juniors - Canadian Junior Men's and Women's Curling Championships**

**The Canadian Wheelchair Curling Championship**

**USPORTS / Curling Canada University Championships**

**Mixed Doubles Curling Championship**

In addition to these Canadian Curling Championships, Curling Canada is also responsible for the following events:

**Home Hardware Canada Cup**

**World Financial Group Continental Cup**

**Ford World Championships (when held in Canada)**

**Canadian Curling Pre-trials – Road to the Roar.**

**Tim Hortons Canadian Curling Trials – Roar of the Rings**

### 3. Economic Impact Assessment

The following key benefits have been associated with the event:

- The event features the twelve of the best teams in the world of curling with six from North America and six from the rest of the world.
- The event spans five (5) days of competition and is regarded as a premier curling competition in terms of paid attendance, attracting large crowds in-venue and television audience (all games are televised on TSN).

- It should be played in an arena with a minimum of 2000 seats. The event is supported through the efforts of on average 300 volunteers. The economic impact assessment varies on location at a minimum \$2M to \$4M\*. Visitor expenditures, combined with the operational expenditures and revenues of the host committee, members of the media, and others, contribute to a net increase in economic activity throughout the host community.

Hotel rooms booked by Curling Canada (not including fans/supporters) = 450 room nights

## 4. History of the Continental Cup

The first edition of the Continental Cup of Curling – a Ryder Cup-like competition – was held in Regina, Nov. 7-10, 2002, after years of discussion between the Canadian Curling Association (now known as Curling Canada), the World Curling Federation (WCF) and the United States Curling Association (USCA).

The organizations agreed on a format where teams would compete in a variety of disciplines with varying points at stake: Mixed Doubles (36), Team Games (72), Singles (32) and Skins (260). The first side to earn 201 of the 400 available points would be declared the champion.

No one knew what to expect from this unique event that had been designed to generate worldwide interest in the sport. But, the inaugural Cup couldn't have been scripted more dramatically or launched with more nail-biting excitement.

The 2015 World Financial Group Continental Cup took a new direction as Curling Canada took over the sole operation of the event, and created an all-Canadian host team for the first time, taking on six teams from Europe.

Also notable is that the singles competition was eliminated in favour of an additional round of mixed doubles. That was reflective of increased interest in the mixed doubles format thanks to its inclusion as a medal sport in the 2018 Winter Olympics in PyeongChang, South Korea.

While Curling Canada is seeking the best possible bid for this prestigious event, it is not obligated to accept the highest bid.
