

# How it works!

## PART 1: SPORT TOURISM FORE-um

The FORE-um is a round table session with a hot topic assigned to each table. Each table host facilitates a 20-25 minute discussion on the designated hot topic and then attendees move onto another table featuring a different trending topic in sport tourism. It's interactive, engaging and a chance for the people in the room to share their own knowledge and learn from others.

The 2018 trending topics are still to be announced!

## PART 2: [un] GOLF

What happens when you cross a golf tournament with a networking event?

Attendees participate as foursomes or solo golfers (assigned to a team). Upon arrival, each team will receive their scorecard and will be encouraged to play each 'hole' in the tournament. Points will be awarded for participation (and for proficiency) and the tournament trophy will be awarded at the end to the team with the best score.

No real golf skill is required and no equipment either (other than the wackiest golf attire you can come up with or a creative team costume)! The leaderboard will track the points while guests socialize, mingle and compete against each other in a fun and friendly golf-themed format. It's everything you love about a golf tournament without the hassle of searching for a lost ball in the rough or toughing it out on a dogleg par 5. And yes, it's November, so it's an indoor event!

## PART 3: THE 19<sup>th</sup> HOLE

The after-party is where the complete and *putter* madness kicks in!

---

## SCHEDULE OF EVENTS
