## Overview of Requirements

The following section describes the requirements and obligations on the Hosting Organization.

### Financial support

Hosting the U19 Men's Pan-Am Cup event requires a contribution of financial support by the bidder.

Host cities must commit to a minimum of \$75,000 of public funding - this can be from municipal and provincial public funding sources. This may also include in-kind contributions of products or services required to stage the event (for example, discounted/subsidized venue rental and services). Volleyball

Canada will be pursuing federal hosting support of an equivalent amount. Federal funding requires matching contributions from provincial/municipal sources.

Private funding sources and sponsorships are accepted as long as they do not conflict with current Volleyball Canada partners and sponsors. Volleyball Canada must approve any private funding sources.

Volleyball Canada encourages bidders to share in the rewards (and risks) of hosting this event. Bidders are encouraged to propose a profit/loss sharing framework between the host and VC for the hosting of the event.

## Proposed Costs

Bidders must consider all proposed costs including but limited to:

- Venue rental cost and all additional costs related to services charges, etc anticipated in use of the venue. This should include any fee schedule for supplemental time/materials costs charged for use of the venue.
- Anticipated accommodations and room rental costs
- Food services costs
- Transportation Costs

Details on requirements for those areas are in the following sections.

## Local Organizing Committee

In order to successfully plan and execute an event of this scale, an experienced and competent local organizing committee is required. The members of this committee should have some previous experience in the planning of similar sporting or cultural events.

The committee should be made up of people with expertise and knowledge in a variety of different fields. The members can come from various organizations, including the Provincial/Territorial Association (PTA), local tourism board, local sport tourism agency, local volleyball clubs, local college or university volleyball programs, etc.

The following positions are ones that each local organizing committee is required to fill.

- **Event Chairperson**  
This person is the main point of contact between the local organizing committee and Volleyball Canada, and is responsible for submitting the bid and managing the rest of the committee members.
- **Court & Equipment Floor Manager**  
This person is responsible for all technical aspects of the event, including the acquisition of facilities, competition equipment, and the set-up and tear-down of courts.
- **Marketing and Promotion Manager**  
This person is responsible for driving the communications and marketing strategies at the local level so as to create market awareness. They are the local contact for all promotional initiatives in the markets

prior to the event. The Marketing and Promotion Manager will be responsible to and work with the Volleyball Canada Marketing Director.

- **Local Media Manager**

This person is in charge of generating media awareness for the event and for maximizing media coverage in the local market. They must also write press releases and ensure their distribution and uptake by local media. They are also the main PR contact in the region. This person is also responsible for the organisation of the press conferences. The Local Media Manager will be responsible to and work with the Volleyball Canada Media Director.

- **Volunteer Director**

This person is responsible for the recruitment, training, and scheduling of all local staff members and volunteers, as well as finding a set-up and tear-down crew.

- **VIP Manager**

This person looks after the special guests and their needs. They are also responsible to oversee the welcome table at the venue.

- **Referee Manager**

This person is responsible for assuring that the recruitment, scheduling, and transportation of the referees is taken care of.

## Local Staff and Volunteers

The local organizing committee will be responsible for the recruitment, training and scheduling of all local event staff and volunteers. These staff members and volunteers will work in a variety of capacities to ensure that the event is planned and executed to the standards of Volleyball Canada.

The following areas/roles are ones that we feel should be considered when creating a staffing plan:

- **Field Of Play**

*12 volunteers per session*

The volunteers assigned to this task will be located in the general field of play. They will have the responsibility of assuring the games run smoothly. The 3-ball system, the floor wipers, the ball shaggers, scoreboard operator and flag bearers are all included in this task.

- **Set-Up/ Take Down**

*10-12 volunteers per session*

The volunteers assigned to this function will help set-up the court at the start of the event and take down the court at the end of the event.

- **Volleyball Information System (VIS) Statisticians**

*6 volunteers per match*

The volunteers assigned to VIS will be responsible for keeping the match statistics with the international statistics program and will be supervised by the VIS managers. Prior knowledge of volleyball or strong keyboarding skills are an asset.

- **Promotions**

*8-10 volunteers per session*

The volunteers assigned to this task will have the responsibility of selling competition programs and will lead the in-match entertainment, including games during time-outs, interviews with members of the crowd, handing out promotional material, etc.

- **Volunteer Services**

*2-3 volunteers per session*

The volunteers assigned to this task will be responsible for the volunteers' room along with checking in, distribution of t-shirt and accreditations.

- **Other / Runner**

*1-2 volunteers per session*

The volunteers assigned to this task will be the jack-of-all-trades. They will be assigned tasks based on emergencies and other volunteers' unexpected absences.

As a national sport organization, Volleyball Canada is committed to offering services in both official languages. We recommend that a fluently bilingual staff member or volunteer be on-site at all times to help assure that this commitment can be met. This is especially important for the Eastern and Atlantic events; however there is always a chance that French-speaking teams or athletes are in attendance at events based in the western part of the country.

Following are the requirements for accommodating the athlete, officials and support personnel.

### **Rooms:**

For the FIVB U19 Men's Pan-Am Cup, the accommodations can be in hotels or university/college residences.

Athletes will be guaranteed three healthy meals a day, plus a supplementary snack prior to the matches on competition days. Sample menus from past events will be distributed to the potential hotels to ensure that they can offer similar items. Meals should be served buffet/cafeteria style with a dedicated eating area for teams.
